

North-Eastern District Golf Association

COMMUNICATION POLICY

Our Mission statement is *“To facilitate and promote a club driven, inclusive and sustainable approach to developing the game of golf in the North Eastern District.”*

To help promote the game of golf for all our clubs in the North Eastern District the NEDGA will assist by helping promote club golf events in the following way:

NEDGA and Golf Vic Calendar of Events

All NEDGA and Golf Vic Calendar of Events will be promoted via:

Team App	Under Events Tab which includes event information and flyer with reminder set two weeks prior to the event.
Facebook	Link from Team App on Facebook
Email	Sent from nedgavic@gmail.com to distribution list.
Website	Under Events which includes a link to Team App.

To ensure all events get enough promotional time we ask that flyers are ready at least 6 weeks prior to the event and sent in a PDF format to nedgavic@gmail.com for uploading on Team App, Facebook and emailing to members.

Non NEDGA Club Events

All non NEDGA Club events will be promoted via email only.

Those Clubs that have a Facebook page are encourage to tag us in their post using **@nedgavic**. Their post will then come up on our page.

Outside of NEDGA Club Events

Due to the amount of time spent on promoting NEDGA golf events, the NEDGA does not promote events that are outside of our district however, if they have a Facebook page they can tag us using **@nedgavic**.

COMMUNICATION POLICY

Social Media

NEDGA has a number of ways that we can communicate with our members. To ensure that we deliver a streamlined communication policy our platforms are used for the following purposes:

Team App

- NEDGA Calendar of Events
- NEWS
- Documents
- Rules and Policies
- Fixtures
- Ladders
- Results
- Gallery

Website – www.nedga.org.au

- Calendar of Events
- NEWS
- Resources
- Honour Rolls
- Life Members
- Club information
- Contacts – NEDGA Executive Committee

Facebook

Facebook is used to promote NEDGA golf events, Golf Australia events, timesheets, results, photos and player news.

Facebook is used in conjunction with a link from Team App and or our website (where possible) to help promote these two sites.
